Entry form 2009

Skeive Filmer – the 19th Oslo Gay & Lesbian Film Festival (OGLFF) – takes place 25 - 30 September 2009. OGLFF screens a wide variety of films, with approx. 40 screenings of feature films, documentaries and shorts from all over the world. The festival programme is featured in the Norwegian gay and lesbian magazine Blikk. **Deadline for entries: 30 June 2009**

OGLFF will consider all films to be in the competition of the Skeive Filmer/OGLFF Awards for Best Feature, Documentary and Short.

The festival is held at the Norwegian Film Institute, which has two modern theatres (seating capacity 190/68) fully equipped with a Dolby THX surround system.

Formats: 35mm, 16mm, DVD, NTSC/PAL VHS and Betacam. Unfortunately we cannot screen NTSC Betacam or PAL Betacam Oxide.

All prints are insured whilst in our custody. The print will be returned immediately after the screening or no later than one week after. Shipping to/from Norway normally takes 2–3 days within Europe and 3–5 days to/from the rest of the world.

For films to be screened in our festival we would greatly appreciate any promotional materials, such as press clippings, stills, posters and press releases.
